Thanks for the edits/comments. I've cleaned up the fact sheets. For the ESA fact sheet, I added the bullet "The 2018 Farm Bill established an interagency committee to better coordinate on endangered species work relative to pesticide registration activities under FIFRA," and for the WPS fact sheet, I used the language from Sven notification email about the proposed AEZ revisions going to OMB (looks like he just sent it).

If you're ok with these, I can sent them on.

Thanks. Glyphosate looks good. Comments on the others are attached.

Rick,

As I mentioned, we only have to update the 5 budget fact sheets listed below. Sven provided the first three attachments. The first attachment is the list of all fact sheet topics – all items highlighted yellow have been deleted from the list. The two zip files are the final fact sheets that were used for the Administrator's January confirmation hearing binder and FY19 budget briefing binder. I updated the appropriate hearing fact sheets, using the versions in the Administrator's January confirmation hearing binder. I did not send these to the divisions for review since the edits were minimum, but let me know if you think I should check in with any of them. Kaitlin said to send the OPP cleared fact sheets to Dan Kochis for OPMO review prior

to OCSPP IO review. Dan will get OCSPP IO clearance. Kaitlin said they need to get them by Thursday.

Chlorpyrifos.....	OCSPP-9
Dicamba.....	OCSPP-10
Glyphosate.....	OCSPP-11
FIFRA & Endangered Species Act.....	OCSPP-12
Worker Protection Rules.....	OCSPP-13

Subject: FW: ACTION: Budget Hearing Program Fact Sheets - DUE TUESDAY 3/19

Hi All,

It's time for a round of fact sheets. Please take a look at the attached and updated as needed (unfortunately, there were no topics deleted for OCSPP.) Please run changes to the budget fact sheets through OPMO as usual. Also, please send forward fact sheets on a rolling basis as they are ready for IO review.

As they need to get back to OCIR by 4pm Tuesday 3/19, we need drafts of all of them **no later than COB Thursday, March 14th**, but again, where no or limited updates are needed, the sooner the better.

Thanks,
Kaitlin

Subject: ACTION: Budget Hearing Program Fact Sheets - DUE TUESDAY 3/19

OCSP Team,

OCIR and OCFO are coordinating on the preparation for the annual budget hearings for the Administrator, and we have compiled a list of all the program fact sheets, listed for each AAship, that we will need for the Administrator's briefing binder (see attached Word file). The list is based on the Administrator's January confirmation hearing binder and incorporates topics that we produced previously for the FY19 budget briefing binder (highlighted in yellow).

Also attached are zip files containing both the FY19 budget fact sheets and the January confirmation hearing fact sheets to reference and update the appropriate papers with current info. Note that the topics in ~~strikeout~~ were identified by OCIR management as no longer necessary to include, and those that we know for certain need to be updated are in red. If you have additional fact sheets that your office believes should be added, please send a list of those additional topics ASAP. Please ensure that any additional proposed topics for the briefing book are cleared at the AA-level.

Please submit the updated or new fact sheets to me no later than 4 pm Tues, March 19. I encourage you to submit the fact sheets on a rolling basis (e.g. those that do not require updates) so that we can begin our review in order to finalize for the Administrator's briefing binder. He will likely have additional questions or requests for updated fact sheets once he reviews the first iteration.

Thanks in advance for helping with this effort! Please let me know if any questions,
Sven
